Press Text DJ Madcut

Madcut is a DJ and performer from Warstein, Germany. His style is wild, playful, hard-hitting and sometimes a little lawless: moving between techno, house, tech house, hardstyle, rawstyle, drum and bass, dubstep and party hits, he reads the crowd and brings the dance floor along. He builds his own edits himself.

Madcut discovered electronic music as a teenager, started DJing in 2014 and played his first party in 2018. From August 2023 to the end of 2025 he was resident DJ at Container Paderborn, where he stood behind the decks every week and became known for Dancing Donnerstag and Malle X Techno, among others.

The line-ups included names like Noel Holler and Noisetime, for whom he played the warm-up. Since its founding in 2024, Madcut has been part of Freaks Rave in Paderborn, in 2026 on two nights with hardstyle and rawstyle/uptempo. In October 2025 he played at Waldklang Festival in Rüthen, alongside Max Fail, among others.

He is also on the road at home and beyond, from year-group parties in Warstein to a prom and inclusive discos in Meckenheim near Bonn. Madcut can be booked anywhere, including abroad.
